

MASON MEGA RAIL

COMPETITIVE ALTERNATIVE TO TRUCK DRAY

ADVANTAGES

Rail Fluidity

- Containers move from vessel to departing rail in less than 36 hours.

Capacity

- \$220 million facility is the largest on-terminal intermodal rail yard in North America.
- 2 million TEUs of annual capacity.
- 24 miles of rail infrastructure.
- Capacity to double current rail volumes.

Dual Rail Service

Daily rail departures on two Class I rail lines offering competitive pricing and route options.

Flexibility

The Port of Savannah offers greater flexibility, and the power to tailor our services to your needs.

Global Connectivity

Proximity to Garden City with storage yard and gate.

- 37 weekly container services, the most in the U.S. South Atlantic.

More Space

1,500 ACRES

the Port of Savannah is the largest single-terminal container port in the Western Hemisphere.
