REFRIGERATED CARGO

FASTER, FRESHER, CLOSER, CHEAPER

Strategically located to serve high -growth markets

COLD CHAIN GATEWAY

- GPA, as owner and operator, provides operational flexibility in handling frozen and chilled cargo.
- Garden City Terminal has nine deepwater berths with 9,418 ft (2,871 m) of continuous berthing.
- Ocean Terminal will have two deepwater berths totaling 3,125 ft (952.5 m) upon anticipated completion in late 2028.
- On-terminal U.S. Customs & Border Protection and USDA inspections in a temperature controlled atmosphere.
- In-transit cold treatment completion and cold treatment completion on terminal available.
- Annual permits are available from the Georgia Department of Transportation to allow for containers up to 100,000 lbs gross vehicle weight.
- Off-terminal cold storage facilities combine to offer 2,359,240 ft² (219,181 m²) of cold storage capacity as close as three miles from Garden City Terminal.
- Closer proximity to Southeast merchants equals reduced cost and faster transit to market.
- Customer Experience Center with dedicated reefer customer service.
- Coordinated partnerships with the ILA, USCBP, USDA and FDA promote a business-friendly environment for our customers.
- 24/7 cargo visibility at webaccess.gaports.com.

Consumers expect year-round access to fruits, vegetables and proteins, and the Port of Savannah is ready to meet this demand. Savannah's strategic location and unmatched infrastructure offer lower cost and faster, more reliable transportation to markets

ROAD

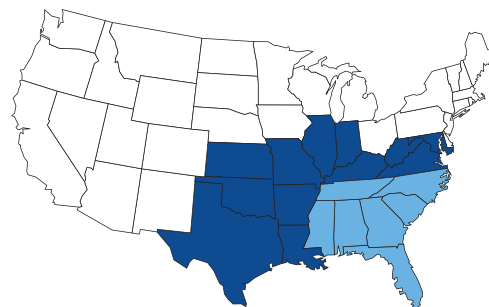

Major interstate access: Interstate 16 (East/West) within 6 miles (9.7 km), for direct access to Atlanta, and other consumer markets throughout the U.S. Southeast and Midwest. Interstate 95 (North/South) within 5.8 miles (9.3 km), serving the entire U.S. Eastern Seaboard.
