

PORT OF BRUNSWICK

The Nation's premier autoport

Location: Brunswick, GA

Colonels Island

- More than **20 auto manufacturers**, supported by four auto processors, rely on the Port of Brunswick.
- **Ideal access** to Southeast dealerships.
- Immediate access to I-95, and from there, I-10 and I-16.

Capacity for Storage

- **Cars: 1,700+ acres**, Colonels Island has room to accommodate growing trade and storage space to flex to your supply chain needs.
- **Heavy Machinery: 350,000 sq ft** of near-dock storage has been added in the last two years to better accommodate heavy machinery.

Rail

- New **Southside rail yard** doubles rail capacity from 5 to 10 trains per week, complementing the **Northside rail yard**.
- Annual rail capacity jumps from 150,000 autos to **more than 340,000**.

Berth

- **\$100 million fourth berth** being built to serve growing Ro/Ro business, opening 2027.

Mayor's Point

- Serves Georgia's valuable **forest product exports**.
- Ideally supports **breakbulk and project cargo** operations.
- 1,750-foot berth with **adjacent warehousing**.
- Direct CSX and Norfolk Southern rail service.

East River

- Serves **multiple bulk commodities** and industries, including Georgia's biomass industry.

Market Access

- To help lure site selection, **Port Tax Credit Bonus** available for companies locating in Georgia and using Georgia Ports.
- Brunswick offers the **fastest East Coast Class I rail** connections to Tennessee, Alabama, Louisiana, Texas and Georgia.
- A **3 to 5-hour drive** to growing major markets such as Atlanta, Orlando and Charlotte.
- Georgia has one of the **nation's highest over-the-road weight allowances**, with a legal gross vehicle weight of 80,000 lbs (36,287 kgs). Permits and proper chassis can increase legal GVW to 100,000 lbs (45,359 kgs).

THE PORT OF BRUNSWICK OFFERS YOU **CONNECTIVITY AND CAPACITY.**

1,700 \$362M

acres with 355 additional acres permitted for expansion.

in recent upgrades, with a new \$100 million fourth berth being built for future growth.

ABOUT GEORGIA PORTS

Georgia's Ports in Brunswick and Savannah are strategic gateways, creating the most competitive supply chains in the nation with their level of operations, connectivity and supply chain ecosystem. These attributes combined with Georgia's ranking as the top state to do business for 12 consecutive years create a very unique business model for growth. The Port of Brunswick is the top U.S. RoRo port for automotive and machinery logistics with over \$262 million in recent upgrades and a new \$100 million fourth berth being built for future growth.
